

Supporting Decision Makers

For over 15 years, JP Weber has been supporting companies in Direct Investments, M&A and Restructuring Projects as well as their day-to-day tax, legal and accounting dealings. We provide services to both large global companies as well as small and medium-sized enterprises planning or conducting their business activity in Poland; we support also Polish companies in looking for strategic investors and in their international expansion. With our experts we guarantee an individual client-oriented and comprehensive approach to the project.
